Mr. Jeffrey A. Tarallo  
Four Foundation, Inc.  
173 Pascack Avenue  
Emerson, NJ 07630

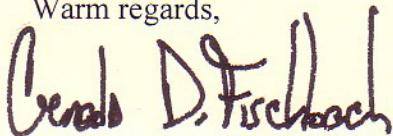

Dear Mr. Tarallo:

It gives me great pleasure to acknowledge your gift of \$10,000 in support of the Gabrielle Bartoli Brain Tumor Research Laboratory in the Department of Neurological Surgery at Columbia University Medical Center. This gift will help us maintain our leadership in world-class and cutting-edge neurosurgery research, education and patient care. Words cannot adequately express my profound gratitude to you for your efforts to consider and support the Medical Center.

On behalf of all those whose lives you've enriched, I am deeply grateful, and I thank you for your dedication to our cause.

My very best to you throughout 2004.

Warm regards,

Gerald D. Fischbach, M.D.  
Executive Vice President for Health and Biomedical Sciences  
Dean of the Faculty of Medicine
