Dear Mr. Tarallo:

Happy New Year!

On behalf of all the patients here at the **Hope & Heroes Children's Cancer Fund**, thank you for your generosity throughout the past year. All of your wonderful work, from the Easter Baskets for the patients, the annual pool party, the Halloween Baskets and other family directed donations and your overall dedication and commitment really put smiles on our patients' faces and joy in their families' lives.

As you know, our mission here at the **Hope & Heroes Children's Cancer Fund** is twofold: to provide the highest standard of pediatric care to infants and children diagnosed with cancer and serious blood disorders, and to promote scientific research dedicated to eradicating these dreadful diseases.

We can't thank you enough for sharing your wonderful gift of caring! Your dedication to our children afflicted with cancer is truly admirable and inspire us all.

We wish all of you a very happy and healthy year.

Warmest regards,
